IMS Announces the Appointment of Votron Electronics as its Canadian Representative

Portsmouth, Rhode Island, USA – International Manufacturing Services, Inc. (IMS), a leading manufacturer and supplier of high quality thick film resistors, terminations, attenuators, planar dividers and planar filters to the electronics industry, announces the appointment of Votron Electronics as its representative for Canada. Votron has been specializing in the sales and marketing of electronic components since 1969. Votron is headquartered in Concord, Ontario (outside Toronto) and has regional offices in Montreal and Vancouver. To find out more please view their website at: www.votronelectronics.com. IMS looks forward to working with Votron and growing its presence in Canada.

Since 1974, IMS has been supplying the electronics manufacturing industries with highest quality thick and thin film chip resistors, terminations, attenuators and RF and Microwave components. For more information, visit www.ims-resistors.com, or contact the company at 50 Schoolhouse Lane, Portsmouth, RI, 02871 USA, Tel. 401-683-9700. Fax 401-683-5571, e-mail: sales@ims-resistors.com.
