### IMS Announces the Appointment of Spantech S.A. as its Representative in Spain and Portugal

*Portsmouth, Rhode Island, USA* – International Manufacturing Services, Inc. (IMS), a leading manufacturer and supplier of high quality thick and thin film resistors, terminations, attenuators, planar dividers, planar filters and thermal management devices to the electronics industry, announces the appointment of Spantech Microwave Technology S.A. as its representative to Spain and Portugal. Spantech is headquartered in Malaga, Spain and has been serving the electronics industry with superior service, technical knowledge and efficiency since 1992. They are focused on providing quality components to the military, communication, instrumentation and medical markets. More about Spantech may be found at [www.spantech.es](http://www.spantech.es). IMS looks forward to working with Spantech Microwave Technology S.A. to build its presence in the Spain and Portugal.

Since 1974, IMS has been supplying the electronics manufacturing industries with highest quality thick and thin film chip resistors, terminations, attenuators and RF and Microwave components. For more information, visit [www.ims-resistors.com](http://www.ims-resistors.com), or contact the company at 50 Schoolhouse Lane, Portsmouth, RI, 02871 USA, Tel. 401-683-9700. Fax 401-683-5571, e-mail: [sales@ims-resistors.com](mailto:sales@ims-resistors.com).
