### **IMS Announces the Appointment of Midwin & Olifson as it's Southern California Representatives**

*Portsmouth, Rhode Island, USA* – International Manufacturing Services, Inc. (IMS), a leading manufacturer and supplier of high quality thick and thin film resistors, terminations, attenuators, planar dividers, planar filters and thermal management devices to the electronics industry, announces the appointment of Midwin & Olifson as its representative to Southern California representative. For over 20 years, Midwin & Olifson has been the premier R.F. and Microwave manufacturers' representative in the area. They have attained this position by systematically putting together a technical sales team with many years of collective experience, a complementary list of principals with common objectives, and an effective plan to present these principals to their customers. They are focused on providing quality components to the military, communication, instrumentation and medical markets. More about Midwin & Olifson may be found at [www.mo-rep.com](http://www.mo-rep.com).

Since 1974, IMS has been supplying the electronics manufacturing industries with highest quality thick and thin film chip resistors, terminations, attenuators and RF and Microwave components.
