## IMS Launches New Interactive Website

Portsmouth, Rhode Island, USA – International Manufacturing Services, Inc. (IMS), a leading manufacturer of thick film resistors, attenuators, terminations, planar dividers and planar filters announces the launch of their new, interactive web site, at [www.ims-resistors.com](http://www.ims-resistors.com).

The new website features detailed information about all IMS products, including test data, S-parameters, and RoHS/WEEE compliance information.

Additionally, new interactive features such as an Online RFQ Form, Online Sample Request Form and Easy Rep Locator make [ims-resistors.com](http://www.ims-resistors.com) a powerful resource for the design engineer. IMS offers resistors to 1Tohm and 350W input power, attenuators to 70dB, low loss dividers to 20GHz, and low loss, wide rejection filters with passbands from 800MHz to 8GHz.

Since 1974, IMS has supplied electronics manufacturing industries with highest quality thick and thin film chip resistors, terminations, attenuators and RF components. For more information, visit [www.ims-resistors.com](http://www.ims-resistors.com), or contact the company at 50 Schoolhouse Lane, Portsmouth, RI, 02871 USA, Tel. 401-683-9700. Fax 401-683-5571, e-mail: [sales@ims-resistors.com](mailto:sales@ims-resistors.com).
